Attention: Docket No. 92-90

To Whom It May Concern:

After 20 years in the Real Estate business, our firm knows the importance of Real Estate agents being able to use the telephone with reference to inquiring whether properties are available for sale.

At any given time, there are hundreds of homes with listings that have expired, but still require the assistance of a real estate organization to be sold. Not only would any restrictions in this form of communication be extremely disruptive to the real estate industry, it would also present a hardship to the families trying to sell their homes.

In your attempt to reduce some of the unpleasant solicitation we all get at dinner time, we sincerely request that the decisions not be so sweeping as to hurt the real estate industry or the consumers it serves.

Your assistance is critical in this matter. I know many constituents that feel the same as I do.

Sincerely,

BRAUN & MAY REALTY, INC.

1919 M Street, N.W.  
Washington, D.C. 20554

To whom it may concern:

I am a real estate agent who relies heavily on prospecting for business. One of the biggest ways to find business is by "cold calling."

By restricting cold calling it would be detrimental to our business. So we urge you to please support our position.

Thank You.
